Notice to Register for Remote/Marketplace Facilitator Sales into Alaska

The Alaska Remote Seller Sales Tax Commission has passed its Uniform Code, as it applies to Remote Sellers and Marketplace facilitators. This is a streamlined Code that accommodates the individual rates and exemptions of multiple jurisdictions within Alaska, with single-level, statewide administration. A website dedicated to the Commission can be found at [https://arsste.org/](https://arsste.org/) - this will include all applicable information.

The Commission reduces the burden on interstate commerce by providing 1) software that has been approved by the taxing authorities reflecting rates and exemptions, attached to GIS-mapped delivery; and 2) software that provides a single access point for filing returns and remittance, including batch returns. These can be accessed at:

- Registration, returns and remittance - [https://arsste.munirevs.com/](https://arsste.munirevs.com/)
  - If a remote seller or marketplace facilitator meets the criteria threshold set out in the Commission’s Uniform Code then registration is encouraged immediately
  - Collection should begin according to the effective date of member municipalities; please follow the collection and return policy adopted by the Commission
- Tax look up map (beta) - [https://alaska.ttr.services/](https://alaska.ttr.services/)
  - As members adopt the Code, their information herein will be updated and additional features added
  - Please utilize the API code for access to rates and GIS-mapping

In the months to come, we expect dozens of additional local governments to adopt the Code. Sellers will be notified on a rolling basis of their effective dates, and returns will become allowable as they adopt. The Commission expects that by the end of this fiscal year – June 30 – jurisdictions responsible for the majority of sales tax collected in Alaska will have adopted the Code and expect compliance.

If you have any questions about how to register or submit returns and remittance, look up rates and exemptions, or need guidance at all, then please don’t hesitate to contact us at [amstp@akml.org](mailto:amstp@akml.org) or by phone at (907)790-5304.
