Dear Business Owner or Manager,

The City of Nome has made changes to its sales tax code. The Nome Common Council passed an ordinance to temporarily reduce its seasonal sales tax rate from 7% to 5%. This rate reduction will take effect July 1 and will continue for the month of August.

The rate will remain at 5% for September and subsequent months in accordance with the normal seasonal rate schedule for the City of Nome.

For questions or concerns please contact: [AMSTP@AKML.org](mailto:AMSTP@AKML.org) or (907) 790-5300
