Dear Business Owner or Manager,

The City of North Pole recently modified its tax code to increase the maximum sales tax due on a transaction. North Pole's sales tax rate remains at 5.5%. Only the maximum sales tax that can be charged on a single transaction has increased to \$16.50. This means that only the first \$300 of the selling price of a transaction should be taxed under North Pole's sales tax code.

This change will take effect on March 1, 2023. For more information on this change, please visit the City of North Pole's website: www.northpole.com.
