Dear Business Owner or Manager,

The City and Borough of Sitka recently made changes to its Sales tax code. On September 8, 2020 two sales tax free days were approved for November 27 & November 28, 2020. These tax free days do not apply to any sale of fuel, alcoholic beverages, tobacco products or marijuana. For the full text, please visit: [Sitka Tax Free Days](#)

The ARSSTC recognizes that Sellers need time to incorporate this change, but due to a delay in the ARSSTC receiving notification about this change, the ARSSTC will not be able to perform the necessary software updates in a timely manner.

For the November filing period, please report any sales exempted due to the tax free days under the exemption category "Other".
