Also reviewed Interpretation 2022.02 to revise language regarding remote workers and discussed if there was a need to include franchises. Policy Committee determined that just the relationship of a franchise does not immediately create physical presence, one must refer to points 1-5 on Interpretation 2022.02 for clarification if physical presence is established.
- b. <u>Approval of new Interpretation 2022.02 Physical Presence</u>
  - i. Policy Committee had a discussion around remote workers and adjusted points to reflect if visiting or traveling through for purposes other than for solicitation, that does not create physical presence. Clarified which services performed by employees create physical presence.

ALASKA REMOTE SELLER SALES TAX COMMISSION

P: (907)790-5300, F: (907)463-5480 www.arsstc.org

- ii. Motion to approve by Joan Miller, second by Ruth Kostik.
- c. <u>Approval of new Interpretation 2023.01 Bundled Transactions</u>
  - i. The goal of this interpretation is to clarify how bundled transactions are taxed across the state. The Uniform Code does not provide a definition for Bundled Transactions (we will need to update interpretation when there is a formal definition). Current proposal is based on SSUTA definition. The position taken in the interpretation is that a bundle is taxable if at least one piece of the bundle is taxable. If one piece is non-taxable or exempt, the bundle should be separated to exempt as appropriate.
  - ii. Question from the Board about how tax caps, refunds and tax caps on services would be impacted.
  - iii. Board requested Policy Committee to work on the above questions.
- d. ARSSTC Bylaws update re: Annual Meeting quorum
  - i. Clinton presented memo outlining amendment options as written in the Bylaws. Staff recommended Option 1 from the memo due to the difficulty involved in obtaining quorum at member-wide meetings.
  - ii. Board approved staff to take Option 1, notifying members of the proposed Bylaws updates with at least 30 day's advance notice.
- e. FY23 Budget Projections / FY24 Draft Budget
  - i. Clinton presented FY23 projections, noting that FY23 is projecting higher revenues and lower expenses than originally budgeted. This is leading to an excess fund balance, greater than anticipated. Recommends assigning \$100k of this excess to a litigation defense fund in the case of litigation challenging the Commission. Also recommends leaving Commission fee at 2.25% for FY23 and FY24.
  - ii. FY24 projections presented by Clinton, noting revenues are projected to be \$25 million. Increase in revenues tied primarily to increased compliance efforts, and continued growth in newly registered remote sellers. FY24 budget also reflects full staffing of four positions, increased interest income and expenses related to multiple expected programming updates to the MUNIRevs portal.
  - iii. Joan Miller stated that Wasilla supports the \$100k litigation fund, feeling the benefit of the fund to the Commission outweighs the benefit to paying that out to members. Additional discussion around how to reflect the litigation fund within the fund balance. Board requested Finance Committee review litigation defense fund under the fund balance policy and revise policy as appropriate.
  - iv. Motion to approve FY24 Budget as presented by Ruth Kostik, second by Xavier Mason.
- 6. Comments
  - Board pointed out the need to review and discuss the contract with AML prior to the end of the year.

Re: Bylaws revision to address Quorum

### **Background**

At the December 7, 2022 ARSSTC Annual meeting, a number of revisions to the ARSSTC Bylaws were presented for approval by the membership. These revisions were properly noticed to the membership in accordance with Article XI.

During the Annual Meeting, the ARSSTC Board President proposed an additional amendment to the bylaws to address the challenge of meeting the required quorum for annual meetings. However, the proposed amendment could not be adopted due to the lack of proper written notice to the membership. It should be noted that the membership that was present expressed broad support for the proposed amendment.

The Board expressed a desire to bring the quorum revision to a future Board meeting for adoption by the Board under Article XI, Section 1 of the bylaws.

At its March 15, 2023 meeting, the Board requested that members be notified of the proposed changes in accordance with Article XI, Section 1 of the Bylaws. Members were notified via email on March 22, 2023 of the proposed changes, meeting the 30 day advance written notice requirement. Members were provided the background of the proposed changes, the proposed changes themselves and the current full text of the Bylaws. Feedback / comments were requested from members for compilation and presentation to the Board. To date, no feedback or comments have been received from members.

# **Action before the Board**

### Re: Commission / AML Service Agreement – Overhead approval

### **Background**

AML has been reviewing its overhead expenses in preparation for renewing the Commission / AML Service Agreement later this year. In doing so, we found a clause in the agreement that has apparently never been followed, and we would like to make sure it is implemented moving forward.

Section 12, Paragraph D of the Service Agreement states the following:

AML will submit monthly reports of expenses to the Board, and the Commission will pay AML's direct expenses and 8% overhead expenses upon approval by the board or designee. Overhead will be applied to direct expenses as compensation for rent, computers and electronic equipment, telecommunication equipment and services, and indirect staff time in proportion to the Commission's share of each line item as approved in the budget. Direct and indirect expenses will be evaluated annually to ensure appropriate allocation. Cost beyond costs approved in the budget are not a reimbursable direct expense and must be approved by the board of directors. AML's direct expenses include, and as provided for in the annual budget are:

- 1. Staff who are directly responsible for Commission programs. Costs include salary and benefits.
- 2. Contracts, insurance, and miscellaneous costs directly related to AML's performance of the Services
- 3. Any Commission-approved loan or start-up capital by AML will be repaid in subsequent years in a manner as determined by the Board and in agreement with AML, to include any agreed upon interest.
- 4. AML expenses paid by the Commission may not exceed the approved budget in any fiscal year, unless a prior request to amend and increase the budget has been received and approved by the Board of Directors.

The highlighted phrase above "upon approval by the board or designee" is the process that has not been followed. AMSTP staff would like to recommend an approval process moving forward, with the Board's approval. Our recommendation will have minimal impact on our financial team and will result in continued timely payments of the overhead expenses.

# **Staff Recommendation**

- AML Finance staff would prepare monthly expense report & associated invoice,
  - AMSTP Director would send report & invoice to ARSSTC Treasurer for review and approval.
    - o Consider naming an additional Board member as backup approver?
- Finance staff have requested that approval be granted no later than a week after report is sent for approval.

How would the Board like to handle these approvals?
