It has come to our attention that the AMSTP quarterly newsletter that was sent this morning contained erroneous information about two seasonal sales tax rates.

Please disregard the 9/1/23 seasonal sales tax effective dates for the communities of Seldovia and Ketchikan as outlined in the newsletter.

The actual effective dates for those communities' seasonal rates is October 1, 2023 as you have previously been advised.

Contact us at 907.790.5300 or [amstp@akml.org](mailto:amstp@akml.org) for any clarification that is needed.
