Dear Business Owner or Manager,

The City of Cordova has recently adopted several changes to its sales tax ordinances. They are outlined as follows:

- Cordova's General Retail Sales Tax Rate was increased from 6% to 7%.
- Cordova's tax cap is now specific to the sale of a single item and the sale of a single service.
- Cordova's tax cap level was increased from \$3,000 to \$5,000. The new maximum City of Cordova sales tax that can be charged on the sale of a single item or single service will be \$350.00.

Each of these changes will become effective February 1, 2024.
